Education

Anderson University • Master of Music Education • GPA 3.9/4.0 2017

Indiana University • Bachelor of Music Education with High Distinction 2014

Certification

Ohio Resident Educators Teaching License, P-12 Music 2014

Additional Education

Kodály Certification- All levels and certification completed at Indiana University Summer Kodaly Institute 2016

Orff-Schulwerk Certification- All levels training and certification completed at Anderson University 2017

Experience

Marion City Schools • Marion, Ohio 2015-present

General Music Teacher- Teaches all students K-5 at Garfield Elementary School, including self-contained classes for MD and autistic students. Focus is on active, joyful learning through music with a growth mindset. Plans and writes curriculum while collaborating with other district music teachers, co-created the district Student Learning Objective for elementary music, plans and executes performances and community events, participates in building “lighthouse” leadership team, and helps plan, rehearse and organize yearly All-City honor choir for fourth grade students.

Clear Fork Valley Local School District • Bellville, Ohio 2014-2015

Music Teacher- Taught elementary general music (K-5), middle school and high school general music for multiple disability students, and assisted with middle school band. Focus was on active, joyful music making and developing musical literacy skills using a Kodály and Orff inspired approach. Planned curriculum, organized and rehearsed performances, and assessed over 700 students.

Olentangy Local School District- Cheshire Elementary School • Delaware, Ohio January-May 2014

Student Teacher- Taught elementary general music, beginning band, and a non-select choir. Planned and wrote curriculum plans, daily lesson plans, and a musical program for a general music grade-level performance.

Musical Beginnings Program • Bloomington, Indiana 2012 - 2014

Assistant Teacher- Instructed music classes for infants and toddlers. Led students in songs, movement, games, and exploratory activities to help children and caregivers learn to be comfortable singing and speaking with various types of voices, keeping a steady beat, recognizing sounds, and moving expressively to music.

Indiana University Children’s Choir • Bloomington, Indiana September-December 2013

Assistant Director- Taught upper elementary students significant choir repertoire in preparation for concerts while incorporating the development of musical skills such as sight reading basic rhythms, solfège, developing a musical vocabulary, and sight singing.

Kenai Watershed Forum • Soldotna, Alaska 2011-2012

Summer Day Camp Assistant- Designed and developed a new environmental education based summer program to meet the intellectual and social needs of students. Taught weekly day camps for elementary aged children with a focus on an appreciation for and understanding of nature through learning activities, guided exploration, games, and songs.
